GIFT OF GRAIN

Thank you for considering a gift of grain. This simple yet powerful way of giving turns the fruits of your harvest into lasting support for our community. We appreciate your generosity and the difference it makes close to home.

When making a grain gift, please contact the Osborne County Community Foundation to let us know your plans. Be sure to provide this signed form either to OCCF or directly to your local elevator so the gift can be processed smoothly.

IMPORTANT NOTE

Always consult your professional tax or legal advisor to determine the tax implications for your situation prior to making a gift. This document contains guidelines to assist in the mechanics of making a charitable gift of agricultural commodities and is not to be construed as specific tax advice.

Donor Name: _____

Donor Address: _____

Amount / Type of Grain: _____

Grain Elevator and Phone Number: _____

Fund Designation(s)*: _____
